Warehouse Magnetic Pallet Racking Labels

These new pallet labels are supplied in packets of 25 and come in three sizes: 110mmx25mm, 110mmx50mm and 210mmx75mm. They each have a clear plastic envelope on the front so pallet labels or bar codes can be slid in, the backing is made from vinyl magnetic making it easier to apply to any racking or shelving made of steel. These labels are reusable so they can be moved from one position to another and removes the need for using Textas or pens on the Vinyl Magnet.
